

A free and easy way to raise funds for our school!

Dear Wilson Middle School Parents/Staff,

A free new program has started that can help raise substantial funds for our school and our purchasing of new technology and funding of other projects. To date, over 160 area businesses including Festival Foods, Papa Murphy's, Applebee's, Pizza Hut, Panda Express, HuHot, Express Convenience Centers, WG&R, Gordman's and over a hundred others are offering cash back to our school whenever you make a purchase with your existing credit card or debit card. And the program is free...you just need to register! **Would you register to support us by Aug 31st?**

It is free to register:

1. Visit www.ucmission.com/join and click "Join Now"
2. Choose to support "Wilson Middle School" when registering
3. Whenever you visit the participating businesses we will receive a % of each purchase

Our goal is to get **all** families to register in the next month so that we can start earning money on items you are already buying, and at no additional cost to you. Other organizations have earned thousands of dollars, and several have earned tens of thousands of dollars through this simple, secure process. Registration is simple and once you've registered, you don't have to do anything except shop with your credit or debit card as you normally do. Thanks in advance for your support...and thanks to the many already registered!

Sincerely,

Principal Mark McQuade
Wilson Middle School
