Student Council Update: Chaperone request See email below from Student Council
Good Morning,

I am sorry to inform you that I won't be able to attend this week's WPV meeting, however, here are the things I was planning to talk to the volunteers about, First of all, student council is planning to have an open gym and MPR night sometime in February on a Friday. Currently we are working out the scheduling with the after school clubs, but we are wondering if any of you are available or would be interested in supervising during the event.

Second, student council would like to inform you that we are moving forward with the act of painting the girls' bathroom stalls and we now know that there are five stalls that need to be painted for sure. Are there any dates that will work for you? Any volunteers?

Troy sent an email and asked for specific dates. We will wait for those dates and email Issac Zimmerman who is the webmaster to get info on Facebook. Laura Stuck secretary and Lesley Vogel are staff representatives

Is there a game night in February 2/10/2020 6:30-8:30PM \$50.00 donation let Brandy know.
